3075/11

- Priolinox is the original manufacturer of pre-fabricated accessories for refrigeration
- Priolinox parts benefit from over 50 years of design improvement and experience in the field
- All items are manufactured from 304 grade stainless steel
- Doors and drawers come complete with handles, hinges and gasket and are fixed with only 8 screws
- Each drawer is strengthened underneath with up to four 1.5" reinforcing bars
- Drawers are fitted with stainless steel drawer slides as standard
- High stock levels are always maintained at the factory. This greatly reduces lead times
- Popular items are stocked in the U.K. by Oxford Hardware

3075/11R

- Multi-purpose stainless steel hopper for the 3000 and 5000 series
- Various sizes and types can be supplied
